HYGROTECH STATEMENT ON GENETICALLY MODIFIED ORGANISMS

This is to certify that all seeds sold by Hygrotech (EA) Ltd, in Hygrotech packaging or in packaging with an official Hygrotech sticker and/or serial number according to the seed act, is bred, selected and produced by natural means.

Hygrotech (EA) Ltd does not breed, select or produce any genetically modified plant material nor does it distribute genetically modified products.

Yours Sincerely

A handwritten signature in blue ink, appearing to read "J. Njenga Muthiga", is enclosed within a blue oval.

Joseph Njenga Muthiga
